Room Rules

Please do not sit on chairs directly on the red and blue tiles – the chairs will mark the tiles. Please use the carpet tiles provided.

Please leave the room as you would wish to find it – cleaning materials are available underneath the stairs.

Accidents happen – if they do, please use the Simple Solution from the blue box under the stairs to clean up. Kitchen roll and wet wipes are also available. Please take all used poo bags home with you.

Please ensure that all lights and heaters are switched off and all windows and doors are closed before leaving.

Failure to adhere to these rules may result in future bookings being cancelled or declined.

Thank you for your co-operation.

General Information

Compass Canine cannot be held responsible for any loss or damage to vehicles or personal property while on our premises.

As the centre is primarily used for hydrotherapy, floors may be wet and so caution should be taken when walking around the centre. It should also be noted that the floor is uneven in places.

The pool and treadmill areas are not to be accessed by visitors to the centre other than when accompanied by Sara Seymour.

Emergency procedures are detailed on the notice board in the reception area.
